

Mobilise Partnership Agreement

This agreement outlines the nature of the relationship between the Mobilise team (commissioned by LLP) and the Lincolnshire schools involved in the programme.

Mobilise Team Responsibilities:

- Provide training and support to the school's Mobilise team, in partnership with KYRA Research School
- Host the training sessions and provide administrative support
- Offer materials, processes and facilitate the sharing of ideas and practice, including PLCs (professional learning community sessions)
- Invite and evaluate feedback from partner-schools
- Recognise the uniqueness of each school

School Partner Responsibilities:

- Have a commitment to sharing learning with other schools
- Engage with the research, taking an enquiry-approach and maintain the fidelity of the evidence
- Be open to self, peer and project evaluation
- Ensure Cluster Lead (where your school has one) is released to attend each of 7 Basecamp, including conducting a school visit
- Ensure School-based Lead attends all 6 PLCs through the year. If unavailable, due to unforeseen circumstances, another member of staff will attend or alternative PLC will be sought
- **Ensure that staff development meetings are scheduled for a school shadow-PLC that replicates the cluster's PLC as soon as possible after (see Timeline for dates)** – Curriculum Design may opt to disseminate research in a 'Development Team'
- SLT will meet SBL post-PLC to confirm how and when actions (on PLC-action plan) will be carried out before next PLC and meet pre-PLC to jointly RAG-rate each action, validating document
- School-based Lead will respond to contact from the Cluster Lead, Research Champions and Project Lead in a timely manner
- Offer development support for teachers and TAs in school
- Feature an aspect of Mobilise in the school development plan as a key priority
