Summary of Mobilise time commitments, including training and development opportunities:

All school Headteachers and leaders

2 x half day face to face 'roadshow' workshops in term 1.

Workshop 1 - sessions will be held regionally in September 2016.

Workshop 2 - sessions will be held regionally later on in September/early October 2016.

These dates will be shared as soon as they are confirmed with Rob Webster and Jonathan Sharples (Education Endowment Foundation).

There will be at least 2 places per school: The Headteacher and the School Based Research Lead **must attend**. Some schools may wish to take up the option of a third place for the SENCO or other senior leader.

School Based Research Lead

6 x half day sessions to attend the cluster based Professional Learning Community – approximately 1 afternoon per half term

Cluster Leads (who will also be the School Based Research Lead for their own organisation)

3 x full days in the Autumn Term (for which the school will be reimbursed)

10 x half days over the rest of the year, 1 afternoon per month (for which the school will be reimbursed)

6 x half day sessions to lead the cluster based Professional Learning Community – approximately 1 afternoon per half term

In addition to this schools will need to dedicate further time for delivery and implementation in school, which will be in conjunction with own strategic plan and priorities.
